

Help honor those who lost their lives at Sandy Hook Elementary by committing "26 Random Acts of Kindness" in their memory. Print these sheets (3) and cut these cards out. Then, leave one behind (in an envelope with a gift card, on the door of the house where you shoveled snow, with the toll booth cashier after paying for the car behind you, to the person you just complimented, etc) each time you do something kind or special to explain the meaning behind the act and hopefully inspire others pay it forward.
